

WHAT

DO

YOU

THINK

ABOUT

IT ?

»In America, there's a failure to appreciate Europe's leading role in the world. «

[Barack Obama](#)

»Europe is so well gardened that it resembles a work of art, a scientific theory, a neat metaphysical system. Man has re-created Europe in his own image. «

[Aldous Huxley](#)

»Some day, following the example of the United States of America, there will be a United States of Europe. «

[George Washington](#)
